product features

Twist® activation is nearly effortless with our patented, **twist and click execution**, an audible **CLICK** signaling that the cartridge is activated and sealed against leakage. The **Twist®** utilizes our reliable, gravity-fueled system that never requires batteries, fuel cells or any other artificial means of power to **neutralize odors in up to 6,000 cubic feet** of space for a full **60 days**. Just like our earlier passive air fresheners, the Twist fits competitors' existing dispensers for an easy switch to our superior product.

promote your business

Twist®, as well as many of our other products are available for private branding. Let your brand be known and seen! Since our products are made in house, in the USA, we are able to offer low costs and manageable minimums.
