Antimicrobial Mat

Let's face it: Lots of people have lousy aim and that makes for unpleasant restrooms. Constant mopping is a chore nobody wants to do, but what's the alternative?

Odor Inhibitor
 Each mat is loaded with a strong antimicrobial that will stop odors from starting or spreading.

Long Lasting
 In most locations the mat will last up to a month depending on traffic and usage. They should be thrown away afterwards.

Maintenance
 None - Just mop or wipe around them as needed. If they get wet, it's OK. They are designed to air dry like your entrance mats.

The Colors
 There are four colors to choose from that will either match or compliment your restroom.

Original Diamond Big "A" Toilet Toilet Commode Sink/Towel
