## PAIN RELIEF

# Now You Can Wear Your Medicine

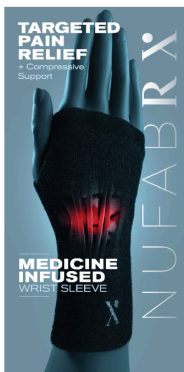

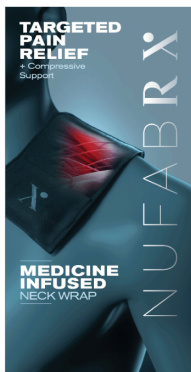

Say goodbye to chronic pain, arthritis, and post-workout soreness. Traditionally, seeking relief meant swallowing pills or enduring the mess of creams and sprays. But now, there's a simpler solution: just slip on your clothes! Nufabrx is revolutionizing the way we manage pain with an innovative pain-relieving compression line.

Harnessing the power of controlled-dose coating technology, Nufabrx delivers capsaicin (nonivamide) directly to the skin. With just a sleeve, users can enjoy all-day targeted pain relief. Say hello to effortless comfort and goodbye to pain.
